Unit 1 A New School

Dear P.I Parents and Students,

Welcome to the start of P.I English. At the beginning of each booklet, you will receive an outline of the important elements in the next few weeks' English teaching.

PARENT'S SIGNATURE

The first theme-based unit is 'A New School'. This unit helps the students learn all about the classroom, school and people who help us at school. In addition, there are activities to help everyone to get to know each other and establish classroom routines. There is a checklist at the end of this booklet outlining the specific learning targets covered.

Throughout their learning there will be opportunities for students to practise all four skills, namely Reading, Writing, Speaking and Listening. We will also include plenty of fun activities such as songs, games, rhymes, role play, etc.

Reading

Reading is an important and enjoyable element of learning in any language. To encourage students to develop good reading habits, the school has a number of initiatives, two of which are introduced below:

Epic!

EPIC is an online reading platform. It consists of both fictional and non-fictional readers from a variety of categories. Students are strongly recommended to explore it in their free time. Teachers will also share a list of theme-related recommended readers with students.

D.E.A.R. Calendar

D.E.A.R is a daily reading scheme where children are encouraged to read every day. Please spend some time sharing a story with them to help build interest and develop a love of reading. The English teacher of your class will explain more about this to the students and set a monthly date for the 'calendar' to be returned to school to be checked.

This year, students will also reflect on how they demonstrated certain character strengths on the reflection sheet at the end of each unit. This aligns with the school's positive education focus.

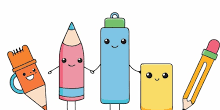

Do remember that we are here to help your children learn English in a positive and encouraging environment. Please feel free to contact us via email if you have any concerns about your child's English learning.

Kind regards,

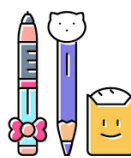

Ms. Mo (1A)

Mr. Horn (1B)

Mr. Ian (1C)

Ms. Annie (1D)
